**ANOCA PRESIDENT'S
MESSAGE FOLLOWING
THE END OF THE
FASTING MONTH OF**

Ramadan 2024

“HAPPY RAMADAN!”

ANOCA President and IOC Member, Mustapha BERRAF, addresses a special message to all the Muslim faithful, without exception, on the occasion of Ramadan 2024.

We have once again fulfilled our duty as believers and Muslim faithful. We went through this major pillar of Islam selflessly, with devotion and faith.

We have emerged from this fasting month spiritually recharged in mind and body. Each of us has surely gained something from this fulfilling period of prayer and fasting.

May we be strengthened for what lies ahead in this world where hardship is rife, with endless conflicts and threats to peace that we can only ward off through prayer, as we did all through this month.

For athletes and the entire African Olympic and Sports Movement, major events such as the Olympic Games Paris 2024 will take place this year. Physical and technical preparation is a sure road to programmed success, but a privileged relation with God is the inevitable path to any achievement.

Let us always remain close to God.

We rely on Him for salvation, which makes us resilient faced with the difficulties of daily life.

Olympic values preach tolerance, humility, love, sharing and peace.

We have emerged from this fasting month spiritually recharged in mind and body. Each of us has surely gained something from this fulfilling period of prayer and fasting.

Our collective actions must reflect this in our sports governance, whether on a small or large scale.

The celebration of Ramadan is the culmination of our devotion, our faith in God, and our eternal respect for divine creation.

Whether with family, friends or colleagues, let us celebrate the end of this fasting month in simplicity, while recognising all that God has done and is still doing for each of us, for our country and our continent, Africa.

Let us remain united in solidarity, and our future will be bright and radiant.

HAPPY RAMADAN 2024!
