

# PRESS RELEASE

ASSOCIATION OF NATIONAL OLYMPIC COMMITTEES OF AFRICA

JUNE 2021

NEXT OLYMPIC GAMES IN TOKYO

# COOPERATION WITH RUSSIA

**A**N O C A President and Member of the International Olympic Committee, Mustapha Berraf had an audience with His Excellency the Ambassador of the Russian Federation in Algeria, MR. Igor BELIAEV, on Wednesday, 9 June 2021 at the Algiers Headquarters annex of the Association of National Olympic Committees of Africa.

Central to their discussions, featured the supply of many doses of the Spoutnik vaccine to African Olympic and sports delegations that will be taking part this

year in the upcoming Tokyo Olympic Games in Japan and in various international sports events.

A preliminary agreement was signed with Russian authorities and the country's Olympic Committee.

It should be recalled that this operation was carried out on the sidelines of ANOCA's General Assembly, between Egyptian and Russian Ministers of Youths and Sports and Mustapha Berraf, in his capacity as ANOCA President.
